

We need a Million Faces

Amnesty International, IANSA, and Oxfam have launched a major global campaign calling for an international Arms Trade Treaty, and for governments to take more action to stop the spread of arms in communities.

This is no ordinary petition – it is a visual petition of faces from around the world, which we will be taking to the UN in 2006 to call for tougher controls on arms exports.

Add your face now – have your photo taken and fill in your name and details below. Thank you.
