

ORDINARY PEOPLE  
EXTRAORDINARY  
**CHANGE**  
2007 Annual General Meeting

MARCH 23 - 25, 2007

MILWAUKEE, WISCONSIN

**Despite milestone victories last year, violence against women remains a world scourge. The United States government continues to condone torture in the war on terror. Individuals around the world are at risk of human rights abuses. Meeting these and other challenges takes extraordinary effort.**

**And it's up to activists to make change!  
Will you be there?**
