To compensate you for your hard work, we will be waiving the registration fee for all those who are able to volunteer 6 or more hours for the duration of the conference.

Areas in which we need volunteer support for include: registration table, Ideas fair, group sales, Information technology, member services, workshop evaluation (you must be available to attend specific workshops), ushers, runners, onsite action concert volunteers, and overall conference set up and clean up.

While we will try to take your volunteer preferences into consideration, your assigned role will largely dependent on your expertise and the hours you are available during the conference.
