"I have been inspired by the support you and all human rights defenders have given. It is your support and solidarity that kept my high spirit and determination to keep on the struggle for the freedom and rights of my people...and explicitly strengthened my belonging to the community of good spirited people. Keep up and cheer up; we will win a prosperous world."
—Dr. Mudawi Ibrahim Adam, former Amnesty International Prisoner of Conscience from Sudan

Amnesty International
Amnesty International's vision is of a world in which every person enjoys all of the human rights enshrined in the Universal Declaration of Human Rights and other international human rights standards. In pursuit of this vision, AI's mission is to undertake research and action focused on preventing and ending grave abuses of the rights to physical and mental integrity, freedom of conscience and expression, and freedom from discrimination, within the context of its work to promote all human rights.
