

## Application for Amnesty International USA's "International Justice Anchor"

International Justice Anchors serve as Amnesty International USA (AIUSA)'s ambassadors for international justice advocacy in their area. Anchors raise awareness about international justice in their community; recruit other activists and involve them in activities to advance international justice; and help to create a viable presence on IJA issues in the community.

International Justice Anchors have the unique opportunity to be part of a core group of volunteers across the U.S. helping to shape public attitudes towards international accountability for human rights abuses!

To apply for this volunteer position, please fill out the below application and attach additional pages if necessary. Applications will be accepted on a rolling basis. Please submit this document to:
