

MID-ATLANTIC REGIONAL PLANNING GROUP (RPG) SEEK A NEW MEMBER

The Mid-Atlantic Regional Planning Group seeks to fill several open spots. Each new member serves a two-year term with an option to renew one time. The RPG functions as a diverse advisory body to the regional staff and members. Members of the RPG are activists from all over the region with different interests, genders, ages and varying levels of experience. The RPG charter provides most of the job description <http://www.amnestyusa.org/events/mid-atlantic/marrpgcharter.pdf>.

Our tradition in this region is to seek members who have few other AIUSA volunteer leadership responsibilities, so they can devote the necessary time to doing the RPG work. Members need to spend several weekends (Fall leadership meeting, one all-day RPG organizing strategy meeting in the Summer, the regional conference, and on monthly conference calls (usually one to one and half hours) on RPG business. RPG members are also strongly encouraged to attend the Annual General Meeting.

Applications will be accepted on a rolling basis. If you have any questions, please email Folabi Olagbaju.

Please apply by including the following information:

1. Why do you want to join the RPG and what qualities would you bring to the RPG work?
2. What is your AIUSA experience? What leadership roles have you held?
3. What other responsibilities (AI and non-AI) will you have in next two years? What gives you confidence that you will be able to meet your PG responsibilities in addition to these responsibilities?
4. What is the greatest challenge that faces AIUSA and/or the Mid-Atlantic Region? How would you help solve/address it?

Please send all applications to
