

## #NoBanNoWall Action Toolkit

President Trump has signed an order banning people from 7 Muslim-majority countries and shutting down the refugee program. He's citing national security, but bigotry will never make us safer. We can't let that happen. Everyday people like you are standing up to say No Ban No Wall. Together our voices are making a difference. Use this toolkit to take action and make your voice heard.

### Take Action with a Phone Call!

We need every senator to act, and quickly. Demand your senator co-sponsor Senator Feinstein's bill 274, which calls to halt this shameful executive action.

**Text AMNESTY to 21333 or call 1-855-923-6687 to take action now!**
