

# Guantanamo Solidarity Action

The list below provides names and details of Guantanamo detainees to whom messages of solidarity--postcards, cards or letters--may be sent. These have been selected on the basis of receiving consent from their lawyers to do so.

Where we have the information, we have noted that the person is on hunger strike. Bear in mind that others on the list may also be on hunger strike, but we do not have that information at the present time. We have included details for some detainees where we have it (provided by the attorneys) which you may find useful for your messages. Where we have included the information "approved for transfer," this is taken from the official US government list of detainees who have been classified as such.

- Messages should be kept to simple messages of greeting and goodwill. Do not include political comments.
- Only send non-religious cards, and avoid referring to religion in your message. For example: rather than writing "you are in our prayers", write "you are in our thoughts."
- Include your name and address (including country) in your message. If you receive a reply, please send a copy to me.
- Write your message in simple English, unless specifically stated otherwise.
- Please send letters and cards individually, not in a package, to speed delivery

## **Address to which messages should be sent:**

Detainee name and ISN number  
Camp Delta  
US Naval Station Guantánamo Bay, Cuba  
Washington DC 20355  
USA

**Postage:** A letter is .46 cents and a postcard is .33 cents - but please check with the Post Office to confirm based on the size and weight of what you are mailing. Please send letters and cards individually.

**If you write, please let us know by emailing [security@aiusa.org](mailto:security@aiusa.org).**
