

“8 Borders, 8 Days”

Human Rights Education Film Initiative

How to Host a Screening through AIUSA

1. Communicate your interest with your Field Organizer!

This will ensure your Field Organizer is in-the-know and can best support you in terms of information and resourcing!

2. Decide on a venue and time-frame for your screening!

Begin planning how to best screen the film to increase participation and conversation in your school community.

3. Go to <http://www.8borders8days.com/host>

- Select ‘Purchase your Screening License.’ This will take you to the purchasing portal for your group to select the type of license needed.

- By selecting a License Type, you will be taken to your Shopping Cart–If you’ve yet to select a date, pick the date you’d most likely host your screening.
- In the ‘Where is your event?’ box, jot down your preferred venue location and also include ‘This is an AIUSA Event.’
- **To unlock the \$100 discount before October 10th, enter ‘IWelcome2017’ into the discount box. You do not need to host your event before October 10th to unlock this discount–you just need to purchase the license on or before this date.**
- Proceed with your purchasing options.

4. You’re all set! You will be sent your license and AIUSA discussion guide materials shortly after your request is reviewed!
