Dear Ambassador,

We have been made aware of and are appalled by the recent imprisonment of two Amnesty International leaders in Turkey.

We are writing to urge you for the immediate and unconditional release of Taner Kiliç, Chair of Amnesty International Turkey, and Idil Eser, Director of Amnesty International Turkey, as well as the release of all other Human Rights Defenders jailed in Turkey.

**The frequent attack on Human Rights Defenders in Turkey is unjust and simply not acceptable.**

We are requesting you agree to an urgent meeting with Amnesty International USA representatives, and the immediate release of all detainees.

Amnesty International's staff will follow up with you regarding a meeting with the Chair, Board of Directors, Aniket Shah, and the Executive Director of Amnesty International USA, Margaret Huang, to discuss these cases.

Sincerely,
