- For his 60<sup>th</sup> birthday #RockyMyers- who has been on death row since 1994- wishes for nothing else but to see injustice in his case addressed and the #deathpenalty removed. Join us in calling on Governor of Alabama Kay Ivey [@GovernorKayIvey](#) to immediately intervene and commute his death sentence as a first step. Time to end injustice.
- #RockyMyers is turning 60 this July behind bars and on death row. He has spent almost half of his life fighting against #deathpenalty. Deep flaws have tarnished his case so we ask Governor Ivey [@GovernorKayIvey](#) to immediately intervene and commute his death sentence as a first step. Time to end injustice.
