

# USA: STOP SEPARATION OF FAMILY SEEKING SAFETY [UA 28.25]

On March 21, 2025, Immigration and Customs Enforcement (ICE) detained **Norelia and Cesar, the mother and father of a Venezuelan family — tearing them away from their three young children, all under 12.**

Even though the family has Temporary Protected Status (TPS) and pending asylum applications, ICE charged them with “illegal” entry — more than two years after they came to the U.S. Detaining people with valid TPS is unlawful, and separating parents from their children is cruel and inhumane.

**Act Now: Demand that the acting ICE director release Norelia and Cesar and stop tearing families apart**

*Note: If you are not a U.S. citizen, for your own security, please do not provide your real name.*
