

WE ALL HAVE RIGHTS

Know Your Rights. Stay Safe Around ICE.

AMNESTY
INTERNATIONAL

DO NOT OPEN THE DOOR TO ICE - only open the door if they have a judicial warrant from a judge and ask them to slide it under the door. This goes for homes, restaurants, schools, places of worship, and any private space

REMAIN SILENT - you have the right to remain silent and refuse to answer questions

DO NOT SIGN ANYTHING - unless you have first talked to a lawyer, you should not sign anything

DO NOT FALL FOR THE TRICKS - ICE is known for using tricks and ruses to get people to let them inside their home, to disclose information, or coerce people to come outside to be arrested

DON'T CARRY FOREIGN IDs - foreign identification docs, like a foreign passport, could be used against you

CARRY IMPORTANT IMMIGRATION DOCUMENTS - If you have been in the United States for more than 2 years, carry evidence of that. If you have any kind of lawful status in the US, carry paperwork that proves it

SHOUT YOUR RIGHT TO SEEK ASYLUM - If you are arrested by ICE and you have a fear of returning to your country, shout it loudly every chance you have
